SUSTAINABLE SERVE

All wines marked with  signifies that the supplier has made significant sustainability developments or social commitments to improve local communities. We want to recognise these brands for the outstanding work they're doing to make a better future:

- o Bijou's vision is to provide quality wine sustainably and to promote a greener approach towards winemaking. More than 95% of their wines are sustainably farmed (HVE3 & Organic).
- o Altano Rewilding Edition is produced in mountain vineyards in the Duoro to support Rewilding Portugal's conservation work and are B-Corp certified. By purchasing this wine you are making a financial contribution to their important nature recovery efforts in northern Portugal.
- o The Journey's End Foundation has been recognised for its work providing 30,000 meals a week for communities in South Africa with The Drinks Green Business Award in 2020 and 2021, receiving the Ethical Company award.
- o Interpunkt proudly serve their wines in unique and sustainable packaging. Their paperboard outer is 100% recyclable and is 5x lighter than a standard glass bottle, making their carbon footprint 6x lower.

Suitable for vegans. If you require more information, please ask your server.
